Welcome all,

This is now our 5th year of running the Fete and Produce Show and we are hoping for another lovely day as we have been lucky enough to have the past 4 years.

We have many attractions for all the family on the day including a live singer, a fun dog show, classic cars, gun dog display, dog scurry and new this year hobby horse show jumping!

We have added some new classes to the Produce and flower show including an AI photo competition so please have a look and give it a go. It's fun and not too serious. Lots of children's classes - something to keep them busy in the holidays.

There will be plenty to eat from the amazing locally sourced bbq , tea and cake and a well stocked bar.

All your favourite traditional fete games have with welly wanging and golf always very competitive. Roll a penny, splat the rat and some new ones to have a go at.

Classic cars and vintage tractors will all be polished and on display for you to wonder around as well as local craft and makers stalls .

We had over 1000 people come along last year and raised a fair chunk of money for local charities, so please come along and support and even volunteer to help for an hour or two.

We start at 1pm and finish at 4.30pm .

The Fete committee look forward to welcoming you on August 15th.
